Missionaries to South Korea

January 3, 2025

Dear praying friends,

Happy New Year! We have had a wonderful year in 2024. In the past year, we have been to 77 churches in many different states. We have learned to trust in God for our needs and to be thankful for where He leads us. The Christmas season has been especially encouraging for us. We have been able to spend precious time with family and rest from a very busy past few months of travelling. We are thankful for any time that we have to be around our pastor and our church family.

We have reached our \$70,000 goal for the key money! We are so thankful for everyone who has given and sacrificed so that we can have a home in South Korea as we serve God. We plan to continue using our monthly support to save aside for the remaining moving expenses. Please continue to pray that God will provide the means to get established on the mission field.

We have an exciting update regarding our departure date to South Korea! We spoke with our pastor and our mission board, and both are in agreement that we will conclude deputation on April 6th. We are planning to have a sendoff service at our home church on June 1st and leave for South Korea that week. The time in-between will allow us to spend time together near home and family before we begin our first term. We are already starting to work on attaining our visas and preparing for the big move. We need God's wisdom and providence as we follow His leading.

We will begin 2025 by travelling to Indiana and then three weeks of meetings in the Carolinas and Virginia. With only 18% of support left to raise, we are encouraged and excited by how God will provide. Our prayer is that God will bless our 2025 in a greater way than He has before as we reach the homestretch of deputation.
